

# The Bent Tree Foundation

Presents

## *The Longest Day of Golf*

**Where:** Bent Tree Golf Course **When:** July 6, 2016 Tee Times Available All Day Long

**Cost:** \$35 Minimum Donation + Your Cost for Golf. Special Rates available for Guests.

**Why?** You and your Bent Tree neighbors have enabled your **Bent Tree Foundation** to fund over \$53,000 in college scholarships to Pickens County High School graduates and donate over \$25,000 in grants to local teachers to improve the quality of instruction in their classrooms. The Longest Day of Golf is the primary fundraiser for this program and 100% of the net proceeds from this event will go to the Scholarship and Grant programs.

**What's New:** The Course will not be "Closed" for this tournament. The course will be Open and we want as many people as possible to come out and play so that it will not only be the **longest** day, but also the **busiest** day of the year! In the past this event depended on the generosity of 2 or 3 large donors and 8 stalwart golfers who both raised all the pledged funds and then put in a full day on the course. We owe them a huge debt and will recognize them as our "Legacy Groups" on game day, but we wanted to share the fund raising responsibility **and the fun** with the entire community.

**Who Can Play? Everyone.** Our goal is to involve everyone in the community—every men's & ladies' golf group, every social group, every church or civic organization with Bent Tree residents, local businesses that are supported by Bent Tree residents and the family, friends and guests of Bent Tree residents and lot owners. We will recognize teams and sponsors for the total amounts of their donations and we hope to see a spirited competition over which organization raises the most funds. Since players are paying for their golf separately, 100% of the funds donated to the Foundation will be tax deductible to the donors and supporting businesses.

**Named Scholarships and Scholarships to specific colleges are available for gifts of \$1,000 or more.**
